EcoSet
FLOOR LEVELLERS

The Bag says it all.
A world-class Leveller made in Australia.

Ecoset Gold is a High-Quality Leveller proudly made in Australia for the Australian Market. Gold Leveller flows perfectly, and the finish is suitable for all floor coverings: Tiles, Carpets, Hybrids, Vinyls, Acoustic Matting, Plywood and Timber Floors including Direct Stick Applications.

Ecoset Gold is a Superior Leveller that can be up to 30mm in a single Pour resulting in up 3 times less labour costs.

Ecoset Gold is ready to accept most floor coverings after 16 hrs and Direct-stick applications after 24 hrs.

For Direct-stick applications we recommend using the complete Ecoset system including Ecoset Moisture Sealer, Ecoset Gold Leveller and Ecoset MS Flooring Adhesive.

Water Ratio: 4.2 – 4.8 litres of water per 20kg bag.
Approx coverage is 12-13m2 per 20kg bag at 1mm thickness.

Ecoset Primers are available in 5L and 20L Spill-proof Containers
